Application Information

BACKGROUND

The Philadelphia Association of Golf Course Superintendents exists to support turfgrass management, provide valuable member services, and be viewed as a community of professionals supporting and enhancing the game of golf.

The vision of the PAGCS is to be a premier regional association committed to enhancing the golf course management profession.

FRANK SHUMAN

The Frank I. Shuman Scholarship was created by Frank's son, Frank T. Shuman, to honor his late father. Both Shuman's are esteemed PAGCS members, highly devoted to the golf turf industry. The first Frank I. Shuman Scholarship Award was presented in 2003. To date, close to \$30,000 has been awarded to qualifying students.

GEORGE LEY

The George E. Ley Scholarship has deep roots dating back several decades. Another esteemed and devoted PAGCS member, George E. Ley wanted to give back to the industry and the superintendent via a scholarship program. Using his company's resources, he began hosting a scholarship tournament and donating the proceeds to the PAGCS to be used to help turf students. Over the years, the tournament has evolved and is now run by the PAGCS and all proceeds benefit qualified students who are employed by PAGCS members.
