

## **IRVINE ROTARY YOUTH COMMUNITY SERVICE AWARD**

**Deadline: 4-1-18**

### **About the Scholarship**

This scholarship honors a student who is willing to become a young community service leader and organize and lead a hands-on community service project of their choice in Orange County. If you have a passion to take on a service project involving the homeless, hunger, education, or any project which benefits your school or community, we want to honor you. Irvine Rotary is one of the 33,000 Rotary clubs in 200 countries worldwide. Rotarians form a global network of 1.2 million business and professional leaders, all who volunteer their time and talent to serve the community and the world.

The student must organize one community service project which benefits a current Orange County based non-profit organization. The community service project must be a hands-on community service project which lasts at least 2.5 hours (and no more than 4 hours.) the project completed on one day and involves live volunteers. Examples include working in a soup kitchen, beach or park clean-up, collecting food, mentoring, reading to children, or any other hands-on project where volunteers can provide service. The student will recruit and identify in the application a minimum of 5 volunteers (friends, family, non-profit members, etc.) Approximately 20 Irvine Rotarians will join the student and the student's volunteers to perform hands-on community service work at the student's project. You must have enough work at the project for 25 volunteers at a minimum. The project must be scheduled for a weekend day in Orange County and must take place prior to June 1, 2018.

The winning student will receive a check for \$1,000 payable to the student's legal guardian designated by the student. The student may use the funds for school or personal use.

The Orange County non-profit of the student's choice (or their school) will also receive a check for \$1,000 payable directly to the non-profit.
